Cross Continental Circuit (CCC) is Consistent !

Despite we are having a global pandemics, CCC as a Salon Circuit is still proceeding as normal. This is a year to remember as a lot of things happens in our beloved world, yet CCC is still being consistent to keep doing strong for the 5th (fifth) times and gather a growing recognition among the fellow photographers.

I believe organizing circuit salon across three continent with different time zone and given situation is not an easy task. It needs a very strong commitment and leadership to make everything happens. Thus I want to express my gratitude to Norbert Heil and all his team from Germany to make this happen in very effective and efficient way. Only 5 (five) days after the entry was closed, all the system was ready for the judging and only 4 (four) days after the judging was finished, the result has coming out already.

It is really our pleasure to work with Johann Van der Walt, Norbert Heil and all the judges from 3 (three) countries; South Africa, Germany and Indonesia. Thank you for Agatha Bunanta for giving CNPS (Candra Naya Photographic Society) a chance to be part of CCC family and history for the 2nd (second) year.

The most important is we are really grateful for all fellow photographers who spend their times and efforts to join CCC this year knowing that we stay at home more than spending our time to do the photo shooting this year.

With the most challenging year of our lives, I am happy that all of us still be connected from one to another through this event. Keep capturing moment around us and stay healthy.

...im Forum Nr. 1 für Fotofans!

„Willkommen! In unserem DVF finden Sie nette, ambitionierte Fotofreunde ganz in Ihrer Nähe.“

Der traditionelle, wie hochmoderne – als gemeinnützig anerkannte – Deutsche Verband für Fotografie e.V. (DVF) ist das aktive Forum für alle Hobbyfotografen – und die es werden wollen. In 350 Fotoclubs geben ehrenamtliche Experten und Fotokönner des DVF ihr Wissen, in Theorie und Praxis, an Verbandsfreunde weiter. **Einige der Leistungen des DVF:** Hochdekorierte Fotowettbewerbe, lehrreiche Fotoschulen, praxisnahe Workshops und Fotoreisen und anspruchsvolle Ausstellungen. Der DVF fördert zudem ideell und finanziell die Jugendfotografie. Werden auch Sie jetzt Mitglied im DVF. Sie erhalten den DVF-Photo-Passport, 10x im Jahr das Verbandsmagazin DVF-journal mit DVF-Länderspecial und die Zeitschrift PHOTOGRAPHIE.
