Salon Germany 2015/59
Salon Indonesia RPS 2015/60
Salon USA RPS 2015/61

Photography is a universal language, a way to connect people around the world. Cross Continental Circuit (CCC) has connected Indonesia, Germany, and USA. This is a joint cooperation between Art Photography of Indonesia (Indonesia Salon), German International Photocup (German Salon), and Oklahoma Camera Club (USA Salon).

All of us, individually, are experienced international salon organizers that decided to work together to make a new history in International Salon.

CCC is the First International Salon Circuit that is held in 3 different Continents: Asia, Europe, and North America. CCC also the First International Salon Circuit to be held in Indonesia.

It is a challenging task, as we have a different time zone from each of the others, but with confidence, enthusiasm, and passion from the team, the circuit were held successfully.

We can proudly announce that CCC received international patronage from PSA, RPS, and GPU. This first CCC received great response from all over the world with 4552 outstanding images from 48 countries with 456 entrants. We also introduced a Grand Prize "Free 6 nights/7Days trip in Bali, Indonesia (terms and conditions apply), to our salon unique among all other salons.

Because we were located in 3 continents, the judging ran simultaneously on 5th of December 2015. The first judging took place in Bali, Indonesia; then 6 hours later the 2nd judging was held in Filderstadt, Germany; and 7 hours after that, it continued in Oklahoma City, USA.

We would like to express our sincere thanks to all participants around the world, and to congratulate the winners and those who are successful in gaining acceptance in CCC. Also we would like to thank all the juries, volunteers, and everyone who else contributed to the success of Cross Continental Circuit 2015. CCC has opened an opportunity to connect people and strengthen the networking among photographers around the world.

Thank you for being a part of the history. We will see you again in Cross Continental Circuit 2016

10th December 2015
